

IMPORTANT IRD INFORMATION

Riding the MAX train from the Airport to the Hotel

From the baggage claim area, follow the signs to the MAX light rail. Buy an all zone ticket at the automated kiosk for \$2.40 and board the red train (there is only one train that leaves the airport so it is not confusing at all). Get off at Lloyd Center/NE 11th Ave. stop. The hotel is right in front of this stop.

Cascade Steel Plant Tour Requirements and Accommodations

Hard soled shoes are required. You may bring a change of shoes with you on the bus if needed.

Those of you who do not wish to go on the plant tour, you can remain in our training hall, where there will be snacks and refreshments provided. Upon completion of the plant tour, we will load the buses for our short journey to the Evergreen Aviation Museum.

Friday Afternoon Activities

Both buses will leave the plant tour and go to the Aviation Museum for lunch, sightseeing, and wine tasting. No buses will return to the hotel until late afternoon. If you wish to go on the plant tour but need to return to the hotel early, you will need to drive or ride with someone who is doing the same.
